

	Description	Price	Basis	
Basic Underdeck Components:				
	Gutter	\$1.82	LF	5" wide; To specified length.
	Gutter Hangers	\$0.88	EA	1 every 2' gutter.
	Wall Channel	\$2.94	LF	To specified length.
	Ceiling Panels	\$2.94	LF	Provided to custom lengths; limited to 16'. 10 7/8" wide.
	Long Panel Latches	\$1.18	EA	Provides support in the middle of the panel: 1 required for each ceiling panel longer than 9'
	Color Up Charge:	6.00%		Applies to colors other than White or Classic Cream
Connectors for joining wall channels:				
	Inside 90° Corner Box	\$11.75	EA	
	Outside 90° Corner Box	\$17.75	EA	
	Inside 135° Corner Box	\$17.75	EA	
	Outside 135° Corner Box	\$17.75	EA	
	Straight Join	\$5.75	EA	
	Custom Angle Box	\$20.75	EA	
Screen/Overflow Box:				
	Screen/Overflow Box	\$45.00	EA	Attaches to gutter to (1) locate downspout outside of underdeck area and (2) provides emergency water outlet for excess water in the underdeck due to drainage failure. Can be attached either to the end or back of the gutter.
	Under-Gutter Overflow Box	\$45.00	EA	Designed to be positioned under the gutter; beneficial when gutter is in an enclosed location.
	Double-Gutter Overflow Box	\$45.00	EA	Designed to be positioned under and connecting two gutters, with a shared downspout.
Coil Stock:				
	Coil Stock: No Bends	\$2.35	LF	15" Wide. To specified length.
	Shaped: 1 Bend	\$2.65	LF	Includes ripping to specification; Total width not to exceed 15".
	Shaped: 2 Bends (U-Channel)	\$2.94	LF	(Referred to as "U-Channel" in instructions -- used for cosmetic trim). Ripping, width & length same as for 1 Bend.
	Imperfect Stock	\$1.75	LF	Suitable for flashing. 15" wide.
	Imperfect Stock: 1 Bend (L Flashing)	\$2.06	LF	Suitable for flashing. (Referred to as "L-Flashing" in instructions). Ripping, width & length same as for 1 Bend.
Optional Gutter Accessories:				
	Downspout	\$14.00	EA	3x4", 10'. Available in underdeck colors.
	Outlet	\$2.00	EA	Rect, 3x4", White
	End Caps	\$1.55	Set	Right & Left. Available in underdeck colors.
	Elbow: A or B, 75°	\$2.35	EA	For 3x4" downspout. Available in underdeck colors.
	Elbow: A or B, 45° or 22°	\$2.35	EA	For 3x4" downspout. Available in white.
	Strap	\$1.20	EA	15" for downspout
Optional Hardware and Miscellaneous:				
	Fan/Electric Mount Kit	\$45.00	EA	
	Porch Swing Mount Kit	\$45.00	EA	Need 2 for 5' swing.
	Vacuum Cup	\$12.90	EA	Useful for installing the last ceiling panel.
	Touch Up Paint	\$11.45	EA	
	Sealant: Geocel 2300	\$6.50	EA	Highly recommended. Calculate at least one tube per 10' perimeter, plus an extra. More for brick or stone, or for extensive flashing needs.
	Stainless Steel TEK Screws, 8 x 1 1/4"	\$0.14	EA	Calculate one for each foot & half wood perimeter.
	Tapcon, 1/4 x 1 1/4"	\$0.15	EA	Calculate one for each foot & half masonry perimeter.
	Gutter screws: #8 1/4"	\$0.03	EA	Calculate 2 per downspout strap.
	Metal Bending Tool	\$2.35	EA	Designed to crimp end of ceiling panel (for rigidity), and tops of wall channel ends.
	Water Level	\$6.00	EA	For establishing a "True Level" line around perimeter (if rotary laser level is not available).
